**COYOTE ELITE
SOCCER ACADEMY
VERMILLION**

We are pleased to offer our first inaugural Fall Coyote Elite Soccer Academy. Just like our spring Academy, our goal this fall is to offer a more competitive and challenging environment for the development of young soccer players who have the desire to grow, develop, and improve as a player. Our Elite Academy will emphasize age appropriate advanced technical, psychological, fitness, and tactical understanding necessary to prepare you to play at a higher level of soccer. Field players and goalkeepers will be trained by our USD soccer staff and will be exposed to a training atmosphere that is unique to the Coyote soccer program. We strive to offer the best experience available for young players.
